

Hermitages and Directed Retreats

Please call the retreat office (631-588-8366) to make your arrangements.

We now have four Hermitages on our property!

Jesus said, "The Kingdom of God is within you." (Luke 17:21)

The spiritual practice of a solitary retreat is for the experienced pray-er. It is a time of silence, free of daily distractions, to fulfill your desire to deepen your relationship with God.

To discern if this experience may be for you, contact the Retreat Office at 631-588-8366. The next step of the discernment is a letter of recommendation from your spiritual director. You will also need to complete our application, and come for a personal interview if you live in the area, or have a telephone interview if you live at a distance.

A minimum stay is three nights, and a maximum stay is thirty days. The suggested offering is \$95.00 per night, meals included.
